PRODUCT NAME:

BASEBOARD REGISTER
10"x6", 12"x6", 14"x6"
10"x8", 12"x8", 14"x8"

PRODUCT MODEL:

REGAM165106, REGAM165126, REGAM165146
REGAM165108, REGAM165128, REGAM165148

PRODUCT DESCRIPTION:

These supply registers have a centered damper handle, that controls the single valve or flap to control airflow. They are designed primarily as replacement registers for older homes. The unique measurements and design replace many manufacturer's registers that are long ago discontinued. Mounting screws are included.
